Never give anything by mouth to an unconscious person. If vomiting occurs spontaneously, keep head below hips to prevent aspiration of liquid into lungs.
<b>Skin contact</b>	IF ON SKIN (or hair): If irritation develops wash area with water. Get medical attention if irritation persists.
<b>Eye contact</b>	IF IN EYES, Avoid rubbing eyes. Immediately flush eyes with large amounts of water, occasionally lifting upper and lower lids, until no evidence of product remains (minimum 15 minutes is typically recommended). Remove contact lenses, if present and easy to do. Get medical attention if pain or irritation persists
<b>Self-protection of the first aider</b>	Use protective equipment appropriate for surrounding materials.
