LORIS™ I.V. Pro Antiseptic Sponges -TINTED - 2 Sponges

Product Code : 116-11

Features

- Broad-spectrum antiseptic
- Long-lasting antimicrobial activity
- Fast acting antiseptic Tinted solution
- Easy to use
- Latex- Free
- Air dries quickly
- Single use
- Surgical use
- Infection control

How To Use

Open the package and remove one sponge. Apply the sponge to the procedure site; use repeated back and forth strokes for at least 30 seconds (dry sites) or 2 minutes (moist sites). Select another sponge as necessary. Allow the solution to air dry completely (minimum of 3 minutes on hairless skin). Product is single use. Discard all packaging, including any unused sponges, once opened.

Do not use on patients with known allergies to chlorhexidine or isopropyl alcohol
